Location: No.21,Bhoomika,3rd Cross

K.R.PURAM,Bangalore-560049

Objective:

I am an aspiring web developer with a passion for creating intuitive and dynamic user interfaces. Seeking to leverage my skills and enthusiasm for web development as a Web Development Intern.

Education:

Bachelors in Technology

Computer Science and Engineering,

PES University,

Expected Graduation: June 2026

Skills:

- Web Technologies: HTML5, CSS3, JavaScript

- Frameworks: React, Angular (basic), Vue.js (basic)

- Tools: Git, Visual Studio Code, Chrome DevTools

- Soft Skills: Team collaboration, effective communication, problem-solving, attention to detail

Projects:

Personal Portfolio Website

Role: Developer

Technologies Used: HTML5, CSS3, JavaScript, React

Description: Developed a responsive personal portfolio website showcasing my projects, skills, and contact information. Implemented dynamic routing using React Router and utilized CSS Grid for layout design.

Weather App

Role: Front-End Developer

Technologies Used: HTML5, CSS3, JavaScript, API integration

Description: Created a web application that fetches real-time weather data from a public API. Designed a user-friendly interface that displays current weather conditions and forecasts.

To-Do List Application

Role: Full-Stack Developer

Technologies Used: HTML5, CSS3, JavaScript, Node.js, Express, MongoDB

Description: Developed a full-stack to-do list application with user authentication and CRUD operations. Implemented RESTful API endpoints and designed a clean UI for task management.
